## BEL-RAY® 6 IN 1

**Bel-Ray 6 in 1** contains anti-wear additives that provide high film strength to this exceptional penetrating and lubricating fluid. It cleans as it lubricates, protects against rust and corrosion, displaces water and reduces friction. **Bel-Ray 6 in 1** will not harm electrical contacts, vinyl, wood or paint.

### *Applications*

---

- ◆ Penetrates to loosen frozen nuts and bolts, lubricates moving parts and friction points
- ◆ Displaces water
- ◆ Cleans and protects (prevents rust and corrosion)
- ◆ Powersports – Automotive – Marine:  
Levers, Cables, Threads, Instruments, Automatic Chokes, Battery Terminals,  
Ignition Parts, Wires, Doors, Locks

### *Features and Benefits*

---

- |                        |  |
|------------------------|--|
| ◆ Superior penetration | Penetrates rust and loosens frozen parts.  |
| ◆ Better lubrication   | NOT just a rust preventive.<br>Lubricates as it protects.  |
| ◆ Corrosion protection | Displaces moisture leaving behind a protective barrier film impervious to moisture. Protects from rust and corrosion for better and longer component life. |
| ◆ User friendly        | Will not affect plastic or painted surfaces.<br>Non-toxic, non-corrosive and non-irritating.<br>Easy to use aerosol.                                       |

### *General Description*

---

**Bel-Ray 6 in 1** is not a solvent but a high performance lubricant. The exceptional creeping and penetrating properties will make removal of frozen fasteners and fittings much easier. The special anti-wear additives will protect and lubricate all metal surfaces. It provides superior corrosion protection from moisture and leaves an impervious coating for long lasting protection.
